## INTEREST FORM

Thank you so much for your interest in the Rapid City Family Project (RCFP). The purpose of the RCFP is to create a program that reduces adverse childhood experiences (ACEs). The project is community-led which means that members of the Rapid City area community will help create the program and make decisions about how we will evaluate the program. There are many ways to be involved in the project. Please complete the form below and return it via email ([RCFamilyProject@unl.edu](mailto:RCFamilyProject@unl.edu)) or text (605-381-2568). You can also call us if you would like for us to bring you a paper copy of this form and/or pick it up from you! You can also contact us to learn more about the project by phone or email (listed above)! Please be sure to check out our website [GO.UNL.EDU/RCFP](http://GO.UNL.EDU/RCFP) and Facebook Page [@RapidCityFamilyProject](https://www.facebook.com/RapidCityFamilyProject).
