

Guidelines for Professional Goals are:

Your statement of professional goals should be a one to two page document that addresses the following:

- 1) Your professional goals--i.e. What are your professional career aspirations? What do you plan to do with your degree when completed?**
- 2) What background experiences, events, and/or education have influenced your professional goals?**
- 3) How will enrolling in one of the Department's programs assist you in meeting your professional goals?**
- 4) Which faculty members do you have a particular interest in working with? Why?**
