The above are suggested guidelines to help department chairs determine if a class should be paid at partial pay or cancelled due to enrollment.

Faculty are to be paid 2.8% of their academic year salary per course credit hour or 8.4% for a 3 credit hour course. CEHS has agreed to set as a policy a maximum amount for a 3 credit hour class for 2017 at \$8,000. It is recommended that partial pays for those with capped salaries will be based on the cap salary. Lecturer and TA salaries per course can be set by each department.
