Early Childhood Education in a Mobile Society 2017-2018

Early Care and Education for a Mobile Society (ECEMS) is an online undergraduate program provided by seven universities working in collaboration on The Great Plains Interactive Distance Education Alliance (IDEA) Program. This bachelor's degree program will prepare you to work in early childhood settings with young children. This degree does not lead to certification.

For more information on the Early Childhood in a Mobile Society program please visit:
