Guidelines for Proposals:

Poster Sessions: Combines graphic display of work with opportunities for individualized, informal discussion of research. Posters must be free standing or able to attach to surfaces without damaging or marking walls and be no larger than 4’ X 6’. See instructions for the preparation of posters guide sheet for further reference (available on the CEHS web page).
Display/Demonstration: Some students’ work might take the form of an artifact to display, for instance, a fashion design.
Roundtable: Some students might not be interested in giving a “presentation,” but might like to offer a topic and have some spontaneous conversation about it.
