

## Curriculum Vitae: Chris Bonell

### EDUCATION

2004	Certificate in Teaching and Learning in Higher and Professional Education, Institute of Education
1999-2000	MSc Epidemiology, London School of Hygiene & Tropical Medicine
1996-1999	PhD Sociology, Institute of Education, University of London
1992-1994	MSc Sociology of Health & Illness (Distinction), South Bank University
1987-1990	MA Hons (2.1) Social & Political Sciences, King's College Cambridge

### EMPLOYMENT

2013- 2011-13	Professor of Sociology and Social Policy, Institute of Education, University of London Professor of Sociology and Social Intervention, Department of Social Policy & Intervention, Fellow of St Cross College, University of Oxford
2011- 2004-11	Honorary Professor of Public Health, London School of Hygiene and Tropical Medicine Senior Lecturer, London School of Hygiene & Tropical Medicine
2003-2004	Assistant Director, Social Science Research Unit, Institute of Education
2002-2003	Research Team Leader, Social Exclusion Unit, Cabinet Office
1996-2002	Research Officer, Social Science Research Unit, Institute of Education
1995-1996	Senior Research Officer, The HIV Project, North West Thames Regional Health Authority
1993-1995	Research Officer, Lambeth, Southwark & Lewisham Health Authority
1991-1993	Clinical Audit Officer, Guy's Hospital

### GRANTS

2013-5.	The effects of Positive Youth Development interventions on substance use, violence and inequalities: systematic review of theories of change, processes and outcomes. PI. National Institute for Health Research Public Health Research Programme - £233,232.00
2014-8	INCLUSIVE trial: Initiating change locally in bullying and aggression through the school environment. PI (with Viner, UCL), National Institute of Health Research Public Health Research programme - £1,755,096
2014	Development of data collection methods within the UCL Partners Network of Health Research Schools. (PI with Thomas IOE, Viner UCL). IOE/UCL Strategic Partnership Research Innovation Fund - £14,994
2013-16	Adapting and piloting the ASSIST model of informal peer-led intervention delivery to the Talk to Frank drug prevention programme in UK secondary schools (ASSIST-Frank): an exploratory trial. CoI (PI Moore, Cardiff). National Institute for Health Research, Public Health Programme - £393,556.00.
2012-2015	National HIV Prevention Programme: Research and Development. Co-I (PI Weatherburn, LSHTM). Department of Health - £1,080,000
2012	Organisational-level interventions to improve teacher wellbeing and reduce work-related stress and burnout: evidence mapping and synthesis. PI, John Fell Fund - £35,129
2011-13	INCLUSIVE pilot trial: Initiating change locally in bullying and aggression through the school environment. PI (with Viner, UCL), National Institute of Health Research Health Technology Assessment Programme - £445,000.
2011-2012	INCLUSIVE pilot intervention: Initiating change locally in bullying and aggression through the school environment. PI (with Viner, UCL), Hamlyn Foundation - £30,000.
2011-2012	INCLUSIVE pilot intervention: Initiating change locally in bullying and aggression through the school environment. PI, Big Lottery Reaching Communities Fund - £28,800.

2011-2012	INCLUSIVE intervention: Initiating change locally in bullying and aggression through the school environment. PI, Coutts Trust - £2,000.
2011-2016	Policy Innovation Research Unit. Co-I (PI Mays, LSHTM), Department of Health Policy Research Programme - £4,500,000
2010-2013	Developing and piloting a peer mentoring intervention to reduce teenage pregnancy in looked after children and care leavers. Co-I (PI Mezey, SGUL), National Institute for Health Research, Health Technology Assessment Programme - £692,249
2010-2011	The effects of schools and school-environment interventions on health: evidence mapping and syntheses. PI, National Institute for Health Research, Public Health Programme - £182,641
2010-2012	Community HIV/AIDS Prevention Strategy Research and Development Programme. PI, Terrence Higgins Trust - £114,294
2009	Causes, epidemiology and prevention of substance use (and gambling) among young people. Co-I (PI Hickman, Bristol), Medical Research Council - £5000
2009	The REAP cluster: Research for Effective Alcohol Policies. Co-I (PI McCambridge, LSHTM), Medical Research Council - £5000
2009-12	Staying Safe: A sociology of how injecting drug users avoid viral infection in the long-term. Co-I (PI Rhodes, LSHTM), Economic and Social Research Council - £368,721
2008-2011	Evaluation of the Intensive Teens and Toddlers Programme. PI (with Keogh, NatCen) Department of Children, Families and Schools - £238,584
2008-2011	Health Services Research and Health of the Public Fellowship- What factors shape young people's school social networks and how do these networks influence health behaviours? PI (with Fletcher, LSHTM), Medical Research Council - £294,486
2007-2008	Feasibility study for an intervention to reduce young people's substance misuse via promoting inclusive ethos in schools. PI, Medical Research Council - £319,224
2007-2008	Experiences of female migrant sex workers from Eastern Europe and effect of multiple vulnerabilities on risk of STIs/HIV. Co-I (PI Platt, LSHTM), Medical Research Council - £280,458
2007-2008	The family life project: a qualitative longitudinal study of children's experiences of family life in the context of parental drug use. Co-I (PI Rhodes, LSHTM), National Drug Prevention Team £250,000
2005-2007	Intervention with Microfinance for AIDS and Gender Equity Extension Grant. PI (with Pronyk, Hargreaves, LSHTM), Swedish International Development Agency - £603,542
2006-2008	Translating effective behavioural interventions: replicating a proven intervention to meet the sexual and reproductive health needs of young black-Caribbean women in sexual health services. Collaborator (PI Imrie, UCL), Medical Research Council - £192,024
2005-2008	Research Studentship: Developing a whole-school intervention to increase young people's physical activity and healthy eating. PI, Medical Research Council - £55,155
2005-2007	Randomised Intervention trial of Pupil-led sex Education in England: secondary analysis. PI, Medical Research Council/Institute of Education sub-contract - £10,207
2003-2007	Evaluation of Young People's Development Programme Pilots. PI, Department of Health - £584,000
2003-2004	Evaluation of London Gay Men's HIV Health Promotion Partnership Principal applicant, PI, Haringey Primary Care Trust - £50,000
2001-2004	National Evaluation of Sure Start Plus. Co-I (PI Ellison, IOE), Department of Health - £365,412
2001	London HIV Prevention Strategy Review. PI, National AIDS Trust - £20,000

1999-2002	Health of the Public Special Research Fellowship – Social determinants of teenage pregnancy. PI, Medical Research Council - £98,000
1996-1999	Special Fellowship in Health Services Research. PI, NHS Executive - £89,000
1996	African Community Research Consultative Forum. PI, Lambeth, Southwark & Lewisham Health Authority - £20,000
1995-1996	Mapping of Gay Men’s Communities and HIV Services in south London. Co-I (PI Gatter, LSBU), Lambeth, Southwark & Lewisham Health Authority - £124,000

## PUBLICATIONS

### Papers in peer-reviewed journals

1. [Bonell C](#), Wells H, Harden A, Jamal F, Fletcher A, Thomas J, Campbell R, Petticrew M, Whitehead M, Murphy S, Moore L. Theories of how the school environment impacts on student health: systematic review. *Health and Place* (in press).
2. Jamal F, Fletcher A, Harden A, Wells H, Thomas J, [Bonell C](#). The school environment and student health: a meta-ethnography of qualitative research. *BMC Public Health* (in press).
3. [Bonell C](#), Fletcher A, Morton M, Lorenc T, Moore L. Methods don’t make assumptions, researchers do: a response to Marchal et al. *Social Science and Medicine* (in press).
4. Fletcher A, Jamal F, Fitzgerald-Yau N, [Bonell C](#). “We’ve got some underground business selling junk food”: qualitative evidence of the unintended effects of English school food policies. *Sociology* (in press).
5. [Bonell C](#), Wells H, Harden A, Jamal F, Fletcher A, Thomas J, Campbell R, Petticrew M, Whitehead M, Murphy S, Moore L. The effects on student health of interventions modifying the school environment: systematic review. *Journal of Epidemiology and Community Health* (in press).
6. [Bonell C](#), Fletcher A, Fitzgerald-Yau N, Hale D, Allen E, Elbourne D, Jones R, Bond L, Wiggins M, Miner A, Legood R, Scott S, Christie D, Viner R. A pilot randomised controlled trial of the INCLUSIVE intervention for initiating change locally in bullying and aggression through the school environment: final report. Health Technology Assessment (in press).
7. [Bonell C](#), Maisey R, Speight S, Purdon S, Keogh P, Wollny I, Sorhaindo A, Wellings K. Randomized controlled trial of ‘Teens and Toddlers’: a teenage pregnancy prevention intervention combining youth development and voluntary service in a nursery. *Journal of Adolescence* (in press).
8. [Bonell CP](#), Parry W, Wells H, Jamal F, Fletcher A, Harden A, Thomas J, Campbell R, Petticrew M, Murphy M, Whitehead M, Moore L. The effects of the school environment on student health: a systematic review of multi-level studies. *Health and Place* 2013; 21:180–191

#### **Conference and seminar presentations**

1. Bonell C. The potential of school policies and interventions to improve health. Invited oral presentation at *World Health Summit*, Berlin.
2. Bonell C. Promoting young people’s health and education. Invited opening keynote address at *UK Clinical Research Collaboration Public Health Research Centres of Excellence 4<sup>th</sup> Annual Conference*, 8-9 July 2013, Millennium Stadium, Cardiff.
3. Bonell C. The Effects of the School Environment On Student Health: A Systematic Review of Multi-Level Studies. Oral presentation at the Society for Prevention Research 21st Annual Meeting, The Science of Prevention: Building a Comprehensive National Strategy for Well-being, May 28 – May 31, 2013, San Francisco.
4. Bonell C. Realist Trials: Rigorously Assessing What Works for Whom and in What Context. Invited plenary presentation at Metrics In Nutrition and Agriculture: Indicators for the design, monitoring, and evaluation of integrated nutrition, health, and agriculture strategies. April 24-25, 2013, Tufts University, Boston.
5. Bonell C. Social contexts and inequalities in young people’s health decisions. Invited oral presentation at The Adolescent Brain Workshop, University College London, 14 February 2013.
6. Bonell CP, Parry W, Wells H, Jamal F, Fletcher A, Harden A, Thomas J, Campbell R, Petticrew M, Murphy M, Whitehead M, Moore L. The effects of the school environment on student health: a systematic review of multi-level studies. Invited oral presentation at the Department of Health, 1 March 2013.
7. Bonell CP, Parry W, Wells H, Jamal F, Fletcher A, Harden A, Thomas J, Campbell R, Petticrew M, Murphy M, Whitehead M, Moore L. The effects of the school environment on student health: a systematic review of multi-level studies. Invited oral presentation at the University of Hertfordshire School of Health and Social Work seminar series, 9 January 2013.

8. Bonell CP. School environment interventions to promote young people's health. Invited oral presentation, 10<sup>th</sup> World Congress on Adolescent Health, 11-13 June 2013, Istanbul, Turkey.
9. Bonell CP. Evaluating Studio Schools. Invited oral presentation, 2<sup>nd</sup> Studio Schools Conference, 19<sup>th</sup> October 2012, Southampton, UK.
10. Bonell CP. Nudge approaches to public health. Invited oral presentation, 15<sup>th</sup> European Health Forum: Crisis and Opportunity: Health in an Age of Austerity. 3-6 October 2012, Bad Hofgastein, Salzburgerland, Austria.
11. Bonell C. Missing the many, harming the few? Invited oral opening plenary at the *Association for Young People's Health Research Conference*. 27<sup>th</sup> March 2012, Millennium Stadium, Cardiff.
12. Bonell C, Jamal F, Wells H, Harden A. Including diverse study types in systematic reviews to address multiple questions about public health interventions: the case of a review of school effects on health. Poster presentation at *19th Cochrane Colloquium*, Madrid, 19-22 Oct 2011.
13. Jamal F, Harden A, Wells H, Bonell C. Consulting with Young People to inform Systematic Reviews? Poster presentation at *19th Cochrane Colloquium*, Madrid, 19-22 Oct 2011.
14. Bond L, Bonell C, Viner R, Fletcher A, Hale D, Wiggins M. INCLUSIVE: a pilot RCT to reduce aggression and bullying in secondary schools. Oral presentation at Randomised Controlled Trials in the Social Sciences 6th Annual Conference York 27th-28th September 2011.
15. Bond L, Bonell C, Burchett H, Sorhaindo A, Butler H. Transferring a complex school-based intervention from Australia to the UK: how would we know that could be done? Examining the utility of the 'FRAN' framework to assess transferability. Poster presented at Randomised Controlled Trials in the Social Sciences, 27th 28th September, 2011.
16. Katikireddi SV, Higgins M, Bond L, Bonell C, Macintyre S. The Use of Evidence by Public Health Policymakers: A Case Study of the English Public Health White Paper. Oral presentation at the 4th Joint European Public Health Conference, Copenhagen, 1-12 November 2011
17. Katikireddi SV, Thoulas JC, Bonell C, Bond L. Confounded Clusters: Do Systematic Reviews Adequately Assess Comparability of Clusters? Oral presentation at the Randomised Controlled Trials in the Social Sciences Annual Conference, York, 26-8 September 2011.
18. Katikireddi V, Bond L, Bonell C, Thoulas J. Confounded Clusters: An Assessment of the Adequacy of Measures to Minimise Confounding in Cluster RCTs. Poster presentation at IEA World Congress of Epidemiology, Edinburgh International Conference Centre, Scotland, 7 – 11 August 2011.
19. Bonell CP, McKee M, Fletcher A, Wilkinson P, Haines A. Is nudging a useful framework for public health in England? Invited oral presentation at *Healthy Lives, Healthy People: Examining the New Framework for Public Health*. Westminster Briefing Conference, London, 29 March 2011.
20. Bonell CP, Sorhaindo A, Burchett H, Bond L. Examining the utility of a theoretical framework for assessing the transferability of complex public health interventions. Oral presentation at the 4th Annual NIH *Conference on the Science of Dissemination and Implementation*. National Institutes of Health, Bethesda MD, March 21-22 2011
21. Hatcher AM, Wet J, Bonell C, Strange V, Phetla G, Pronyk P, Kim J, Porter J, Morison L, Busza J, Watts C, Hargreaves J. Promoting critical consciousness for women's empowerment: Strategies and lessons from a South African HIV and violence prevention intervention. Oral presentation at *138th APHA Annual Meeting*. Denver, November 6-10 2010.
22. Fletcher A, Bonell C, Rhodes T. New counter-school cultures: drug use as a source of bonding, identity and escape for female secondary school students. Oral presentation at *British Sociological Association Annual Conference: Inequalities and Social Justice*. Glasgow Caledonian University, 7-9 April 2010.
23. Bonell C, Hickson F, Weatherburn P, Reid D, Hammond G. Trends in drug use among gay men in the UK: findings from the Gay Men's Sex Survey. Invited oral presentation at the *XIII Community HIV/AIDS Prevention Strategy Conference*, Sheffield, 2-3 March 2010.

61. Bonell C. Evaluating complex HIV prevention interventions. Invited plenary presentation at *1<sup>st</sup> National Community HIV/AIDS Prevention Strategy Conference*, Birmingham, 8-9 April 1998.
62. Bonell C. Examining how 'evidence' is used as a tool of control and resistance in the organisation of HIV/AIDS services. Poster presentation at *12<sup>th</sup> International AIDS Conference*, Geneva, 28 June–3 July 1998.
63. Bonell C. The use of outcome measures in the evaluation, monitoring and management of HIV prevention services: a qualitative examination of current practice and models of good practice. Poster presentation at *11th International AIDS Conference*, Vancouver, 7-12 July 1996.
64. Bonell C. Commissioning research. Invited oral presentation at *Building Bridges: Linking Research and Primary HIV Prevention Conference*, London, 8-9 March 1995.

## TEACHING

### Teaching development

2012-3	Course director, MSc in Evidence Based Social Intervention, Department of Social Policy and Intervention, University of Oxford
2012-3	Graduate student research coordinator, Department of Social Policy and Intervention, University of Oxford
2008-11	Research degrees coordinator, Social & Environmental Health Research Department, LSHTM.
2007-8	Deputy Research Degrees Coordinator, Public & Environmental Health Research Unit, LSHTM.
2006-10	External Examiner, MSc Public Health, University of Essex.
2004 - 11	Stream Adviser for Health Promotion, MSc in Public Health, LSHTM.
2004-11	Organizer for Health Promotion Integrating Module, MSc in Public Health, LSHTM.

### DPhil/PhD/DrPH supervision

2012-	Gerardo Melendez-Torres "Substance use and sexual risk behavior among men who have sex with men" (University of Oxford)
2012-	Felix van Urk "Evaluation of fidelity and effects of Studio Schools (University of Oxford)
2011-3	Vittal Katikireddi "Transferability of complex interventions to reduce alcohol consumption" (Co-supervisor with Lyndal Bond, MRC Social and Public Health Science Unit, Glasgow).

- 2008 - Will Nutland: "Perceptions, policy and practice: understanding how gay men view HIV risk in a post-crisis era" (Co-supervisor with Adam Bourne, LSHTM).
- 2007- Annik Sorhaindo: "Young girls' perspectives on being targeted for teenage pregnancy prevention interventions" (Co-supervisor with Kirsten Mitchell, LSHTM).
- 2005-08 Adam Fletcher: "Young people's experiences of school and drug use: Systematic review and case-study research" (LSHTM).
- 2004-07 Lucy Platt: "A second-generation surveillance study of HIV amongst injecting drug users in three cities in the Russian Federation" (LSHTM).

#### **DPhil/PhD examination**

- 2013 John Moriarty: "Social influence from friends and other peers on Northern Irish adolescents' use of cannabis and other illicit drugs" (Queen's University Belfast)
- 2011 Matthew Morton: "Measuring impacts of youth empowerment: an international systematic review and a randomized controlled trial with out-of-school school youth in Jordan" (University of Oxford).
- 2011 Christine McGarrigle: "The relationship between HIV prevalence in MSM and available data on HIV testing. What limits do the observed set upon the unobserved?" (London School of Hygiene and Tropical Medicine).
- 2009 Dylan Kneale: "Pathways to parenthood: exploring context as a predictor of timing to parenthood" (Institute of Education).
- 2008 Helen McIlveen: "The challenges of improving access to sexual health services to improve the sexual health of the nation" (University of Durham).
- 2007 Stefania Kalogeraki: "A quantitative, cross-national comparative study of adolescent drug use in Britain, Sweden, and Greece, using the 2001 ESPAD study" (University of Reading).
- 2007 Peter Keogh: "Sex, Health and Risk among Gay and Bisexual Men: Social and Cultural Contexts" (University of Portsmouth).

#### **DPhil/PhD advisory committees/transfers/upgrades**

- 2005-11 PhD advisory committee member for Jenni Burt (University College London), Melissa Palmer, Daniel Briggs, Karl Hughes, Nadia Osman, Zoe Hodges, Vaula Tuominen, Oscar Ocho and Katie Schenk (LSHTM).
- 2005-12 DPhil/PhD transfer/upgrade examiner for Jamie Lachman, Ellie Ott, Yael Litmanovitz, Konstantinos Foskolos, Andreas Hein Willius, Sean Grant, Eleanor Ott (Oxford); Bindu Sunny, Liz Fearon, Sirinya Phulkard, Sungkyu Lee, Liz Ainsworth and Sarah Bernays (LSHTM); Vicky Jones (UCL); Vicki Strange, Angela Harden and Ruth Stewart (IOE).

#### **Lecturing**

- 2012 Lecturer in Social Policy option of BA (Oxon) Politics, Philosophy and Economics
- 2008 Visiting lecturer in Substance Misuse (Steinhardt School of Culture, Education, and Human Development, New York University).
- 2006-11 Lectured on MSc Public Health modules in Qualitative Research Methods, Sexual Health, Health Promotion Theory, Health Promotion Approaches and Methods, Drug, Alcohol, Tobacco Use and Public Health, Social Epidemiology (LSHTM).
- 2002-2005 Visiting lecturer in Sexual Health (LSHTM).
- 2001 Visiting lecturer in Social Interventions for Public Health (Imperial College).
- 1998-2002 Visiting lecturer in Sociology of Health (London Metropolitan University).

**COMMITTEES****External**

2013-	Lancet Commission on Adolescent Health and Wellbeing
2013-	Trial Steering Committee, The DHA (Docosahexaenoic acid) Oxford Learning And Behaviour (DOLAB) II Study
2013-	National Institute of Health Research, Public Health Research Board
2013-	Chair, Trial Steering Group, Social and Emotional Education and Development (SEED): a Stratified, Cluster Randomised Trial of a Multi-component Primary School Intervention that follows the Pupils' Transition into Secondary School. NIHR/MRC Social and Public Health Sciences Unit
2012-	Expert reference group, Project Oracle, Greater London Authority
2012-	International Advisory Group CONSORT Extension for Complex Social Intervention Randomized Controlled Trials
2012-	Trustee, Association for Young People's Health
2011-12	NIHR Doctoral Research Fellowships Panel
2011-	Trial Steering Group, The Active for Life Year 5 (AFLY5) school-based cluster randomised controlled trial protocol, NIHR/University of Bristol
2011	Health Research Board of Republic of Ireland, Population Health Grant Selection Committee
2010-3	Book reviews editor, editorial board, Critical Public Health
2010-3	Community HIV/AIDS Prevention Strategy Board, Department of Health
2009-	Chair, Trial Steering Group, Preventing Substance Misuse: Strengthening Families 10-14 Programme Trial, NPRI/University of Cardiff.
2009-	College of Experts - National Institute for Health Research/Medical Research Council for the Efficacy and Mechanism Evaluation programme.
2008-	College of Experts - Health Technology Assessment Programme
2008-10	Advisory group - Understanding Wider Skills Project (Department of Children, Schools and Families/Institute of Education)
2008-11	Advisory group - Camden Weight Loss Trial (LSHTM)
2007-8	Steering group - Evaluation of National Healthy Schools Programme (Department of Health/National Centre for Social Research)
2007-8	Advisory group - Teenage Health Demonstration Sites, Institute of Education/Department of Health
2006-9	London Health Commission.
2006-	Editorial board, <i>International Journal of Drug Policy</i>
2006	Chair, Conference Organising Committee - Evaluating Public Health Interventions: Alternatives to RCTs, Birkbeck College, London, 6-8 November
2005-8	College of Experts - Medical Research Council Health Services and Public Health Research Board
2005-7	Advisory group - Young Brent (Translating effective behavioural interventions) Project (UCL)
2005-9	Advisory Forum - Centre for the Wider Benefits of Learning (Institute of Education/Department for Children, Schools and Families)
2005	Expert adviser - Non-communicable disease prevention strategy (Ministry of Health, Barbados_
2003-4	Steering Group - Sure Start Plus National Evaluation (Department of Health)
2002-2003	Inter-departmental Advisory Group - Impacts and Trends in Social Exclusion in England (Office of the Deputy Prime Minister)
2002-2003	Inter-departmental Advisory Group - Development of a Measure of Child Poverty (Department of Work & Pensions)
2001-2003	Deputy Chair, Advisory Group - Review of Reviews of the Effectiveness of HIV Prevention Interventions (Health Development Agency)
