Site Visit Description:

Trainees who complete a site visit at Boys Town Omaha will have the opportunity to learn about Boys Town and understand intern's role within the organization. Topics will include the organization's history, continuum of care, services available within the Boys Town Center for Behavioral Health, and intern's role within the continuum and the Center.

To Schedule a Site Visit:

Email Kim Haugen, Boys Town Training Director

Please specify which site visit date you prefer

Please provide your phone number

Schedule the visit at least 1 week in advance

Site visits are scheduled from 9am – noon on these days:

Monday, September 20, 2021 (Training Topic: Family Therapy)

Monday, October 18, 2021 (Training Topic: Exposure Principles in Treatment)

Site Visit Schedule:

9-10:00 Meet with Kim Haugen

10-11:00 Meet with current interns

11-12:00 Participate in didactic training

Note: At this time, I am unsure if we are able to have visitors on campus for the site visit. If the site visit occurs in-person, it will occur at the Boys Town Center for Behavioral Health, 13460 Walsh Drive, Boys Town NE 68010. Park on the lowest level and enter the first floor lobby. I will meet you there. If the site visit needs to occur virtually, the schedule will be the same, and it will occur using WebEx.
