Site Visit Description

Interns who visit Creighton University's Student Counseling Services will have the opportunity to learn about the student population served and an intern's role within the counseling center as well as the larger university system. Visitors will meet with the training directors, direct staff, current interns and other trainees and participate in a case consultation.

- Site Visits are scheduled for **Wednesday October 20th 2021** and **Wednesday February 2nd 2022**.
- Site Visits for the 2021-2022 year are scheduled to be in person but may be changed to virtual given ongoing University Administration rules related to COVID-19 precautions.
- Interns should arrange the Site Visit by contacting Dr. Rebecka Tompkins at rebeckatompkins@creighton.edu
