## Directions To BSDC

*From Omaha:*

1. Take I-80 West to Lincoln; as you progress west on I-80 through Lincoln, you will come to **exit 397, which leaves I-80 to the right**. This exit is well-marked as being Highway 77 South to Beatrice, but several of us routinely miss this exit, so *pay attention* 😊.
2. Then, proceed south on 77 through a bit more of Lincoln, then on through lots of open country as well as the tiny towns of Princeton and Cortland (remember to slow down through these towns as the limit is 55 in Princeton and 45 in Cortland and the Patrol does monitor this).
3. After Cortland, you'll go around the "14 mile curve" a large sort of backward "S" turn; you are about 14 miles from Beatrice. There are Hay Minions on the east side of the northbound middle straightaway part, so watch for those on your way home!
4. Continue on 77 and you'll go past the turn for Pickrell [has a Butler tractor business on the east side of 77 there], just keep going south; you are about 8 miles out.
5. Continue and you'll go through another, much smaller backward "S" turn and should see the Truck/Auto Plaza on the left (east). Almost there.
6. Keep on keeping on 77; soon you'll see the new hospital (on the right), then a John Deere dealership and eventually a Ford dealership (both on right or west).
7. Then, the Holiday Inn and Capri Inn on the right and the Wal-Mart on the left. Keep on driving south into town.
8. Right before the big Courthouse, you'll come to Lincoln Blvd. **Turn left** (east).
9. It's quite a few blocks on; then, keep going straight through the next stoplight (if the light is green, that is 😊; watch out, it's a 25 zone around Lincoln Elementary) at 19<sup>th</sup> street, continuing to drive east.
10. Finally, you'll have gone as far as you can on Lincoln Blvd, so **turn left** (north) and drive in to BSDC. They have removed the facility sign, but we're still here.
11. Go to the first stop sign and then turn left. Continue driving to the west, through two intersections and the road will start curving. Park off to the side of the road, near the

Chapel, at least partially on the grass. Please do not park in the Carstens Center lot itself as that is for employees and customers of the Café.

12. You may also park in any other parking lot at BSDC, if you prefer, just not the Carstens one. You may enter Carstens by the automatic door on the south of the building, next to the Café entrance. There will be signs. BSDC is an open campus and part of the town of Beatrice, so walking around is not a problem, though please don't walk into anyone's home, just as you wouldn't do in the rest of Beatrice or any other town. *Address for GPS is 3000 Lincoln Blvd, Beatrice, NE 68310.*

*From Lincoln:* Get to 77 south any way you like, typically Saltillo Road, and then follow the directions from step #2 above.

*Gasoline, etc.:* There is a Cenex on the right and Casey's on the left as well as a no-name brand on the left as you proceed into Beatrice on 77. Also, the aforementioned Auto/Truck Plaza is north of town. Cortland has a gas station, too. [Cortland is also home to Spilker Ales, just west of 77 a block or two.] Good place to stop in Lincoln is the Saltillo Road Shell station on 77 and Saltillo Road, usually dirty, but has a Subway, large convenience store, and restrooms. Nice new convenience store gas station on 27<sup>th</sup> St. exit off I-80, too, in the north of Lincoln.
