Teaching Assistant Positions

EDPS 459: Introductory Statistics

Summer 2020 and 2020-21 Academic Year

The student(s) in this position will have primary instructional responsibilities for teaching EDPS 459: Introductory Statistical Methods. Applicants should have a strong command of the concepts and methods of introductory statistics as well as a commitment to providing quality instruction. Prior experience working with introductory statistics is highly desirable. (You may be required to take Principles of College Teaching.) The assistantships are half-time (20 hrs. per week). Additionally, there is one section available for the 2020 summer first five-week session. For more information contact Dr. RJ De Ayala at rdeayala2@unl.edu.

APPLICATIONS:
Complete the application form (below) indicating your interest in receiving a teaching assistantship. Reviews of applications will begin no earlier than Friday, March 6, 2020.

Submit the application form as an attachment to an email with the subject line of 'QQPM 459 TA' to:
RJ De Ayala rdeayala2@unl.edu
