

Traineeship in Mild Traumatic Brain Injury (MBTI) and Concussion Management

This traineeship is funded by a five-year grant from the U.S. Department of Education. Starting in fall 2017, it provides tuition remission for up to 12 credit hours and living stipends for five students each year.

Trainee students will have the following opportunities:

- Nine-month externship with Lincoln Public Schools' concussion management team clinics
- Workshops and seminars related to MBTI and concussion management
- Web-based training
- One-on-one mentoring
