Students with prior graduate work may have one or more courses waived. Students may request a course waiver if:

1. The student has successfully completed a very similar course and can document that the course content was essentially the same as the course in our program.
2. The course was for graduate credit; and
3. The student earned a grade of B or better in the course.

Depending on the number and nature of the courses waived, students may or may not shorten the expected time to completion of degree
