****A recording of this form can be read aloud to you from our website****

GUARDIAN CONSENT FOR CHILD UNDER AGE 18 (Phase III)

Please read this entire form. Wopila!

This form tells you more about the project so that you can decide if you want your child/children (under 18) to be part of it. Even if you say YES, your child/children will get to decide if they want to be in this project. **For returning this form, you will receive a \$20 Virtual Visa card sent to you via email** (please allow 2 to 4 weeks). You will get the \$20 Virtual Visa even if you return this form saying that your child/children cannot participate. **For returning this form, your child/children will also receive \$20 cash each (distributed at school).** Your child/children will get the cash even if you say they cannot participate.

This research is being done by people at the University of Nebraska—Lincoln (UNL); UNL is funding Peaceful Means. The UNL IRB title of this project is “Phase III: Establishment and Evaluation of an Indigenous-led Center to Prevent Sexual Violence among Indigenous Youth across the U.S.), Project ID #23645.

If you say your child/children cannot participate, we will not ask your child/children if they want to participate. Your decision about whether or not your child/children can participate will not affect their relationship with the school.

If you say your child/children can participate:

- We will ask them if they want to. They will have the option of saying “yes” (they want to participate) or “no” (they do not want to participate).
- Child/children in grades 3-12 with your approval who say they want to participate will sign an assent form. Child/children in K-2nd grade with your approval who say they want to participate will give a verbal assent.
- Your child/children can also decide not to participate even if you say they are allowed to participate. Their decision to not participate will not affect their relationship with the school.

If you say your child/children can participate and later change your mind, **please contact us right away (Phone. 605-430-9575, Email. peacefulmeans@unl.edu).**

This form applies to guardians of children under 18 in the following schools (and grades): Crazy Horse (9 to 12); Little Wound (K to 12); Pine Ridge (K to 12); Oelrichs (9 to 12), Red Shirt (K to 8), and Wolf Creek (5 to 8)

Why are you asking my child/children to be in this research project?

We are asking your child/children to be in this project because they are a student who will be in grades K through 12 during the upcoming academic year and live on or near the Pine Ridge Reservation. This form applies to guardians of children under 18 in the following schools (and grades): Crazy Horse (9 to 12); Little Wound (K to 12); Pine Ridge (K to 12); Oelrichs (9 to 12), Red Shirt (K to 8), and Wounded Knee (K to 8).

Why are you doing this research project?

We want to make a program for children, youth, and adolescents that helps them to be safe from violence so that they can live happy and healthy lives. The surveys will make sure the program is working.

What are you asking my child/children to do in this research project?

We are asking your child/children to be part of a project that has a few parts. Your child/children will do all these parts at their school, unless students in grades 6 to 12 miss a survey at school. If they miss a survey, they will be emailed and/or texted the survey link to do it in a safe and private location of their choosing. We will not ask students in grades 3 to 5 who miss the survey to do it outside of school.

We are asking whether you give permission for your child/children to do three things in this project: (1) Take online surveys at two time points (students in grades 3 to 12), (2) Be part of a program designed to help reduce their risk of experiencing sexual violence (students in grades K to 12), and (3) Complete a brief paper and pencil survey after each class that is taught in the program (students in grades 3 to 12).

Your child/children in grades 3 to 12 will do the in-school program either in between the online surveys or after the last online survey. This means that some children will get the program in fall 2024 and other children will get the program in the winter/spring of 2025. We use a computer program to randomize when schools get the program, kind of like flipping a coin. Your child/children will find out when they will do the program after they take the first survey.

Online survey: If you agree that your child/children can participate, we will ask them to take an online survey at two different timepoints. Each time they take the survey, it will be about 30 minutes. The surveys will ask them about their attitudes and experiences including unwanted sexual experiences. Some questions will ask about strengths, while other questions ask about things like depression and abuse/assault. These surveys are anonymous. You can view the surveys here: <https://go.unl.edu/moreinformation>

Programming: You can read more about the programming here: <https://go.unl.edu/impoweroverview>. To summarize, the program has six classes. Each

This form applies to guardians of children under 18 in the following schools (and grades): Crazy Horse (9 to 12); Little Wound (K to 12); Pine Ridge (K to 12); Oelrichs (9 to 12), Red Shirt (K to 8), and Wolf Creek (5 to 8)

class is 2 hours. Your child/children will do 1 class a week for a total of 6 weeks. There will be approximately 10 to 30 children in each class.

- The classes for elementary school students (boys and girls) focus on understanding sexual abuse/assault, verbal and physical skills to use if someone is trying to force them to do sexual things, and how to get help for sexual abuse/assault.
- The classes for middle and high school girls focus on understanding sexual abuse/assault, verbal and physical skills to use if someone is trying force them to do sexual things, and how to get help for sexual abuse/assault.
- The classes for middle school boys help guide them on a healthy, positive journey to a Lakota culture-based manhood and build skills and strategies to manage any unavoidable violence in their lives.
- The classes for high school boys will focus on challenging the myths that promote sexual violence, resisting harmful gender stereotypes, practicing consent, and learning bystander intervention skills to aid themselves and others experiencing sexual and physical violence.
- *Students in middle and high school can also select to attend the class that they feel is most relevant to their lives.*

During the program, some researchers might be there to observe the classes. They are there to make sure that the instructors of the class are doing a good job. They will not write down your child/children's name or other children's names when they take notes.

Post session surveys: Your child/children (in grades 3 to 12) will be asked to do a short paper and pencil survey after each class to tell us what they liked about the program, did not like about the program, and how to make the program better. The surveys are anonymous; students will NOT put their name on the surveys.

What will you do with the information my child/children tell you?

Your child/children's answers on the survey are anonymous and private. We will honor this privacy by not sharing their answers on the survey with anyone.

If your child/children says something private during a programming class where other students are present, we will encourage the other students to not discuss the information with others. However, we have no way to guarantee confidentiality of any information that your child/children shares during a programming class.

However, if your child/children tells us face-to-face, on the phone, in an email, or by text that (1) a child is being hurt or abused, (2) that they plan to hurt themselves or someone else, and/or (3) someone else, like an elder, is being hurt or abused, we will have to share this information with someone to make sure that children and other people are safe.

The Oglala Sioux Tribe (OST) owns the data. Any papers or presentations that we share will be approved by the OST RRB (Research Review Board). Papers and presentations will never have any information that could identify your child/children.

This form applies to guardians of children under 18 in the following schools (and grades): Crazy Horse (9 to 12); Little Wound (K to 12); Pine Ridge (K to 12); Oelrichs (9 to 12), Red Shirt (K to 8), and Wolf Creek (5 to 8)

How might my child/children feel being in this research project?

Sometimes children report feeling sad or uncomfortable when being asked about things, like sexual abuse/assault. Remember, your child/children do not have to answer questions they do not want to answer. We will give your child/children a list of resources every time we see them that tells them about places they can go or call if they need help. Your child/children can also talk to us about resources that they might need. You can see the resources here: <https://go.unl.edu/moreinformation>

Also, for classes that involve physical self-defense skills, there is the possibility of limited physical risks. The Lakota instructors are highly trained and as long as your child/children follow instructions provided during the self-defense portion of the program, their chance of being hurt in any way will be reduced. In all of the self-defense classes we have done on Pine Ridge, no child has been hurt.

Does my child/children have to be in this research project?

No, your child/children do not have to be in this project. Your child/children can start being in this project and stop being in the project at any time; this will not affect their relationship with the school. Your child/children can also decide not to answer questions that they do not want to answer. If your child/children is not in the project, the school will find them an activity to do (e.g., read a book, do homework). If you say your child/children can participate and later change your mind, please contact us **right away** (Phone. 605-430-9575, Email. peacefulmeans@unl.edu).

Will my child/children benefit from being in this research project?

Your child/children may not benefit from being in this project. However, some children, including children on Pine Ridge, tell us that they like to share their ideas and help other people and their community. Your child/children may also learn skills that they find helpful in their life. Many Lakota children who have taken our programming report positive benefits of participating but it is not guaranteed that your child will benefit.

Will others on Pine Ridge benefit from this research project?

We will use the information to strengthen the program. We will be giving the program to a lot of children on or near Pine Ridge and your child/children are an important part of this!

What will my child/children get from being in this research project?

In addition to the **\$20 YOU will get for returning this form AND the \$20 YOUR CHILD/CHILDREN will get for returning this form**, we will do the following drawings:

- 20 \$100 gifts (cash) for the survey children take before the program starts.
- 18 \$100 gifts (cash) for the surveys children take after each of the six classes.
- 20 \$100 gifts (cash) for the survey children take after the program ends.

This form applies to guardians of children under 18 in the following schools (and grades): Crazy Horse (9 to 12); Little Wound (K to 12); Pine Ridge (K to 12); Oelrichs (9 to 12), Red Shirt (K to 8), and Wolf Creek (5 to 8)

There will be a total of 58 \$100 gifts (cash) for everyone in the program (across all schools). We expect about 1,000 children to participate. This means that each child has a 6% chance of winning a \$100.

We will do the drawings within a month of when each survey occurs. The person doing the drawing will be a Lakota staff of Peaceful Means. They will do the drawing using a computer program to make sure it is fair and accurate.

All children will get small giveaways (e.g., stickers, pencils).

Who should I contact if I have questions or concerns about this project?

If you have questions about this project at any time, you can contact our project team at the information below. You can also contact the Institutional Review Board (IRB) at the University of Nebraska-Lincoln (UNL) if you have questions about your rights as a participant or if you have concerns about this project at 402-472-6965 or irb@unl.edu. You can also contact the Oglala Sioux Tribe Research Review Board at ost.rrb16@gmail.com.

You are voluntarily making a decision whether or not to let your child/children participate in this research study. Signing this form means that (1) you have read and understood this consent form, (2) you have had the consent form explained to you, and (3) you have had your questions answered.

Please return the information below one of several ways:

1. Complete the form online here: <https://go.unl.edu/pmqed>
2. Return the form to your child's school or have your child return it to the school. The form can be turned into the main office or a teacher at school.
3. Take a picture of each page of this form and email all of these pictures to peacefulmeans@unl.edu
4. Take a picture of each page of this form and text all of the pictures to 605-430-9575.
5. Call, text, or email us (info above) for us to come and pick it up from you!

GUARDIAN/PARENT MEDIA, AUDIO, AND PHOTO RELEASE FORM

The mission of Wahwala Iyohlogya (Peaceful Means) is to end sexual violence on the Pine Ridge Reservation. We will do this through delivering empowerment-based, culturally grounded programming to all children and youth on Pine Ridge. As part of this project, youth on Pine Ridge will create a documentary that highlights the strength and resilience of Indigenous peoples and the impact of the work of Wahwala Iyohlogya. We respectfully request your permission to include media, audio, and/or photos of your child/children in the documentary and other video, audio, and photo portions of this project.

By signing this form, I am giving staff of UNL's Wahwala Iyohlogya/Peaceful Means (and its affiliates and associates) the rights to use photos, audio, and/or videos of my child/children. I understand that photos, audio, and/or videos (including interviews) may be altered (e.g., only showing part of the recording my child is in rather than all the recording). I also understand that photos, audio, and/or videos of my child/children may be shown in a lot of different ways like on websites, social media, in printed material, films, etc. and that neither me or my child are being paid for the use of photos, audio, and/or videos of my child. Finally, I understand that by signing this form I can never take action against Wahwala Iyohlogya/Peaceful Means, IMpower United, and/or UNL (and all its staff/affiliates) for use of photos, audio, and/or videos of my child.

Please return the information below one of several ways:

1. Take a picture and email it to peacefulmeans@unl.edu
2. Take a picture and text it to 605-430-9575
3. Drop it off at our office (M to F; 9 to 5pm) located next to the Wakpamni CAP
4. Mail it to our PO Box at PO Box 253 Pine Ridge, SD 57770
5. Call, text, or email us (info above) to come and pick it up from you!
