

ATHLETIC TRAINING PROGRAM

Athletic Training Observation Hours Verification

A minimum of 60 observation hours are required to apply to the University of Nebraska-Lincoln Master of Science in Athletic Training (UNL MSAT) program.

A minimum of 30 hours of observation must come from the direct supervision of a single Board of Certification credentialed Athletic Trainer in good standing with the Board of Certification at the time of observation.

All observations must be completed within the last two years. Please complete an additional form if more observation entries are needed.
