Dear Dr. Skretta:

This letter is to confirm the submission of additional documentation for the University of Nebraska-Lincoln (UNL) Folio Review. You will see from the attached Summary Chart that all Rule 24 endorsement programs are now approved/met. Rule 20 is also approved/met. No Rejoinder will be necessary. The next step in the State Program Approval process will be the on-site visit, which is scheduled for March 11-13, 2018. You will note that the State Team will have some on-site follow up as noted on the Summary Chart.

Once the on-site state approval visit is completed, the results will be reported to the Nebraska Council on Teacher Education (NCTE) Executive Committee at their April, 2018 meeting. It is anticipated the Executive Committee will move the approval of the UNL Teacher Education Program to the NCTE June, 2018 meeting agenda where the membership will vote to recommend approval to the Commissioner and to the State Board of Education. Once State Board approval is given, which typically is given at the August State Board meeting, a final letter will be issued to UNL.

The Nebraska Department of Education certainly appreciates the time and effort you and others have spent in getting all needed information submitted. If you have any questions, please do not hesitate to contact me at your convenience.

With best regards,
