

I, me,
my,
mine

am,
be,
are

walk

like

on

hot

thirsty
hungry

off

cold

you,
yours

eat

go

love

up

good

tired

down

bad

it

want

do

move

stay

scared

dizzy

need

leave

don't,
not

pain

sick

help

suction

swallow

hurt

When?
Where?
What?
Why?
