# Prerequisite Courses Form
# for BMIT Initial Teaching Certification
### State of Nebraska Academic Coursework

In order to become certified to teach BMIT (Business, Marketing, and Information Technology) at the secondary level (grades 6-12) in the state of Nebraska, you must complete sufficient hours of collegiate business, marketing, and information technology coursework in order to satisfy Rule 24 of the Nebraska Department of Education.

BMIT credits must fall within the six content areas identified in Rule 24 of the Nebraska Department of Education:

- Business Administration (minimum of 24 hours)
- Marketing (minimum of 9 hours)
- Information Technology (minimum of 12 hours)

Please record the courses that you have taken in these areas. The information provided here must correspond exactly to the information contained in your transcripts. This will assist program advisors in assessing whether your background will meet the requirements for certification in the state of Nebraska. Please note: There may be one or more topic areas that have not been covered in your courses; however, *this should not prevent you from applying*.
