## Selected Professional Experience & Impact

### Lecturer & Early Childhood Educator

#### **Ruth Staples Child Development Laboratory School, University of Nebraska–Lincoln**

*January 2019 – Present*

- Led targeted coaching and mentorship for student teachers, resulting in increased confidence, leadership, and willingness to lead new learning experiences.
  - Addressed staffing and leadership challenges by building consistent relationships, clear communication systems, and a supportive classroom culture.
  - Modeled reflective teaching practices and guided student teachers in planning, documentation, and instructional decision-making.
  - Implemented innovative practices, including looping, to strengthen continuity of care and relationships with children and families.
  - Strengthened program quality through faculty coaching on assessment, documentation, and curriculum planning.
  - Fostered strong family and community engagement through conferences, home visits, and family-centered events.
- 

### Early Head Start Educator

#### **Community Action of Lancaster County – Early Head Start**

*July 2016 – January 2019*

- Supported toddler development while mentoring associate teachers and aides through reflective supervision.
- Collaborated with interdisciplinary teams and external coaching supports to serve children with diverse learning needs.

- Built strong partnerships with families through consistent communication, conferences, and home visits.
- 

## Leadership & Impact Areas

- Student Teacher Supervision & Mentorship
  - Relationship-Based Leadership while managing a classroom with a loss of a support teacher
  - Early Childhood Workforce Development
  - Reflective Practice & Coaching within all the levels of practicum students
