Looking for funding for AY 26-27?

While faculty do their very best to secure funding for EDPS Graduate Students, the availability of funding varies from year to year. Students are expected to seek out and apply for assistantships and fellowships to pursue funding for their degree. All available assistantship opportunities within EDPS will be posted to our website. Many students also find assistantships in other departments, such as OGS, TLTE, CYFS, and more.

Keep watch on the website below for information about available funding. Additionally, be sure to read the Weekly Wednesday each week to learn of any new funding opportunities!

SOMETHING TO CELEBRATE...

The Buros Center for Testing congratulates two EDPS Faculty members, Scott Napolitano and emeritus Eric Buhs, for achieving Distinguished Reviewer status. This designation is recognized after an individual has contributed to six volumes in the *Mental Measurements Yearbook* series. Distinguished Reviewers exemplify an outstanding dedication to the principles of improving the science and practice of testing and assessment. Buhs and Napolitano join several EDPS Faculty members who have achieved Distinguished Reviewer status, including Janet Carlson, Deborah Bandalos, and emeriti professors Beth Doll, Cecil Reynolds, and Mike Scheel.

FREE telehealth & in-person care for Rural Nebraskans! Spread the word!

Looking to make some extra cash?

Janet just moved to Lincoln and needs help! She's looking for someone to help hang art, mirrors, and small shelves, as well as help her set up her Blink doorbell/camera. She's paying \$50/hour and anticipates about 2-3 hours worth of work. The person would need to tell Janet what materials to purchase beforehand to hang her heavy mirror (probably a special anchor). Experience required! We're not winging this!

If interested, please email jschwartz-micheaux2@unl.edu to coordinate. 😊

It's almost Ramadan!

Ramadan is the Muslim month of fasting. Practicing Muslim students, staff, and faculty will be fasting from dawn until dusk during the month of Ramadan.

This includes abstaining from both food and water. Ramadan celebration often involves prayers late in the night. It is not unusual to be up past midnight for prayers and to get up around 5am to eat before dawn & pray.

Ramadan 2026 begins on February 17th and will continue into mid March. Our Muslim neighbors and colleagues may be tired, hungry, or dehydrated during this time, especially during the late in the afternoon. Please be gracious and respectful of your community during this time.

An early Ramadan Mubarak to all who celebrate!

The Summer 2026 schedule is live for viewing! Priority registration for graduate students begins March 2nd

If you had an assistantship this year, either within or outside of EDPS, **YOU HAVE SUMMER TUITION REMISSION!**

We are aware of the issue that some students' emails are getting bouncebacks. IT is working on the issue, but for now, here's how you can ensure your emails are reaching students:

The main issue seems to be that some emails have dropped the "huskers" after the at sign. **TO ENSURE YOUR EMAIL MAKES IT TO THE DESTINATION: be sure to double-check that the email address for the student is "@huskers.unl.edu"**

ATTENTION

YOU WILL NEED TO PERSONALLY TYPE IN THE FULL EMAIL ADDRESS RATHER THAN SELECT THE AUTO-POP UP FOR THE STUDENT

We know this takes a little extra time and is kind of a hassle, but we're all in this same boat right now, and at least there's a way to work around these issues!
