ATTENTION STUDENTS & FACULTY

Summer is fast approaching! Please don't forget to take your office trash and recycling to the dumpsters!

ALL office trash & recycling must be disposed in the dumpsters behind Henzlik. Although you may use the trash receptacles in the hallway, those bins are not to be used for personal office trash.

All graduate students, faculty, and staff are responsible for their own accumulated waste.

The dumpsters are located to the south of Mabel Lee Recreation Fields near the driveway between Henzlik and Nebraska Sigma Chi. Please see the image below for a description of where to place your trash & recycling.

Zee will be emailing all current students with offices this week to remind them to clean up, take out trash/recycling, and also provide other end-of-semester reminders. A few GA offices will be moving around this summer, and some of you may have new room assignments, especially if you are changing GA positions. If you are changing GA positions, Zee will connect with you regarding any potential office changes!

STUDENTS!!! PLEASE READ!!!

As the semester end approaches, we want to remind you that all students must be signed up for classes by May 16th. Failure to do so will result in your NCards being disabled and your names added to the list of separated personnel. If student workers, PhD, and master's students want to retain their Building Access, they must sign up for at least 1 credit hour for the Summer or Fall 2025 Semester by May 16th. If they fail to do so, all Card Access will be removed on May 19th.

From Saturday, May 17th–Wednesday, May 21st, there will be NO HEATING OR PROCESS STEAM IN OUR BUILDING COMPLEX, as well as across City Campus. The building will still be open, but if you plan to be here, dress in warm layers, because it will be COLD!!
