 - Dr. Heather Hruskoci (School Psychology)
 - Congratulations, 2023-2024 DEMAC Board! We are excited for your leadership next year!
- **EDPS Graduate Students:** EDPS has some funds to support conference travel for our students. The application deadlines are July 15 and December 15. If you wish to apply, please use the attached application form, and submit your request by the due date to be considered.
- **EDPS Students:** Lasagna Love is a global nonprofit and grassroots movement that aims to positively impact communities by connecting neighbors through gestures of kindness and support. They aim not only to help address the incredible rise in food insecurity among families but also to provide a simple act of love and kindness during a time full of uncertainty and stress. They also seek to eliminate stigmas associated with asking for help when it is needed most. The mission is simple: feed families, spread kindness, and strengthen communities. Note that being eligible to receive a lasagna is solely based on the need for a little assistance. There are no income or other socio-economic criteria. We deliver to anyone who needs a little home-cooked love. The reasons are as varied as there are people. Some examples include a new mom who is frazzled and needs a break from cooking, a family that is down on their luck, someone who recently had surgery and can't cook for their family, or even stressed out college students who are tired of living on ramen noodles! When a meal is requested or when someone is nominated, the form provides space to indicate the reason for the request/nomination.
 - See attached flier on how to get matched.
- **EDPS Teaching Assistants:** SAVE THE DATE - DLS will be hosting an orientation for our Teaching Assistants who will be instructors in the fall and would like to extend this invitation to all TA's in the department as well! The tentative dates is set for **Thursday, August 17 from 10am - 1pm.**
