*Please note that leave of three (3) consecutive days or more taken for any of the above listed reasons may apply toward the twelve weeks of eligibility for leave provided under the Family/Medical Leave Act.*

**I understand:**

- a. That I may be requested to provide medical documentation of my illness or the illness of my immediate family member**
- b. That I may be requested to provide a medical release upon my return to work**
- c. That I am responsible to consult UNL Benefits Office for any unpaid portion of this leave.**

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of employees or their family members. In order to comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.
