Professional Experience

Administration

Program Director, Marriage and Family Therapy Clinical Training Program

University of Nebraska-Lincoln, Lincoln, Nebraska, 2021-Present

- Provide administrative and academic leadership for a COAMFTE-accredited clinical training program, including curriculum oversight, faculty coordination, and program governance.
- Led the program through successful reaccreditation by aligning curriculum, assessment processes, and competencies with COAMFTE Educational Guidelines.
- Developed and maintained outcome-based evaluation systems, annual reports, and data dashboards used to inform program improvement and stakeholder engagement.

- Expanded clinical training opportunities by cultivating new community partnerships and strengthening relationships with existing practicum sites.
- Implemented systems-level efficiencies, including adoption of Supervision Assist, to improve tracking of competencies, clinical hours, and supervisor documentation.
- Managed program operations, including budget management, faculty meetings, marketing initiatives, and student recruitment strategies that increased annual cohort size.
- Advocated for program growth by supporting additional full-time faculty positions, doubled student admission, enhancing student support structures, and modernizing clinical education resources.

Clinic Coordinator, Couple and Family Therapy Clinic

University of Nebraska-Lincoln, Lincoln, Nebraska January 2022-Current

- Provide operational and clinical leadership for an on-campus COAMFTE-accredited MFT training clinic serving diverse clients and supervising graduate trainees.
- Manage all day-to-day clinic operations, including scheduling systems, financial systems, billing processes, supply management, and maintenance of the electronic health record system.
- Deliver 5–10 hours per week of live and case-based supervision to practicum students, emphasizing trauma-informed, attachment-based, and developmentally attuned supervision.
- Oversee and mentor student staff, ensuring high-quality administrative and client service functions within the training clinic.
- Provide after-hours crisis consultation and support for practicum students managing high-acuity cases.
- Collaborate with faculty and community partners to strengthen clinical training quality, referral pathways, and access to services.

Faculty Coordinator, IDEA Family and Community Services (IDEA Consortium)

Great Plains IDEA, University of Nebraska-Lincoln, Lincoln, Nebraska, 2020-Spring 2024

- Provided academic leadership for a multi-university asynchronous online graduate program within the Great Plains IDEA consortium.
- Led curriculum review, policy development, and program-level decision-making across faculty from multiple collaborating institutions.
- Facilitated quarterly faculty meetings, coordinated curriculum alignment, and supported the development of consistent pedagogical standards across the consortium.
- Collaborated with faculty from five universities to refine online instructional design, assessment practices, and student support structures for a rapidly evolving online learning environment.

Program Liaison, IDEA Family and Community Services (IDEA Consortium)

Great Plains IDEA, University of Nebraska-Lincoln, Lincoln, Nebraska, 2015-Current

- Serve as the university liaison for the multi-institution Family and Community Services graduate program within the Great Plains IDEA consortium.
- Coordinate communication and alignment between UNL faculty, administrative units, and partner universities to ensure seamless student experience and program operation.
- Support curriculum implementation, course scheduling, and faculty onboarding for both synchronous and asynchronous graduate courses.
- Assist with program policy interpretation, student advising pathways, and resolution of cross-institutional academic or administrative issues.
- Contribute to curriculum review efforts, ensuring coherence and quality across participating institutions.
