# CEHS: Values

- **Innovation, creativity, and curiosity** as we address complex issues facing individuals, families, schools, and communities;
- **Respect** diverse people, ideas, voices, and perspectives;
- **Multidisciplinary approaches** to scholarship that integrate teaching and learning, research, scholarship, and creative activity, outreach, and service;
- **Working together** to positively impact the lives of individuals, families, schools, and communities, and health
- **Partnering with people in the community** to support the mission and vision of CEHS;
- **Emphasizing creation of new knowledge and its application to human and community needs** thereby combining the strengths of a research and a land-grant university.
