Hospitality, Restaurant and Tourism Management – Food and Beverage Emphasis

Other  \_\_\_\_\_

Class in College 2024-2025: Sophomore  Junior  Senior  GPA: 3.575

College organizations and leadership positions: I am an AmeriCorps member and am serving a term through the 2024-2025 year. Throughout the year I am working with various Title I schools in before and after school programs. I am striving to ensure that each child receives proper education through learning about different aspects of a healthy lifestyle. This includes healthy eating, physical activity, and learning about growing their own plants through hydroponics. I am also a member of MedLife at UNL.

Honors and recognitions: I was recognized on the deans list through the 2023-2024 school year and I am also in the UNL Honors program. I have been recognized for various awards throughout my academic career including National Honor Society and completing the Simpson Youth Academy which consisted of exploring deep faith-related questions and taking action into the world to make it a better place.

Plan for employment following graduation: After graduation I plan to attend PA school to obtain a masters degree in Science of Physical Assistant studies. I want to use the knowledge from both degrees to serve in areas of poverty to help people live healthier lives and prevent illness.

**Please return by April 5th to:** University of Nebraska-Lincoln
