## Dear EDPS Students, Staff, and Faculty:

Welcome Back! I hope you are having a fabulous summer! It's hard to believe the start of the school year is right around the corner...it's also hard to believe I haven't written a Weekly Wednesday in almost 3 months! Did you miss me? I've definitely missed you!

If you are new to our department, WELCOME! We are so excited to have you join us! We can't wait to meet you all at orientation on August 23rd. Be sure to RSVP if you haven't already! Orientation is required for all new students. But I promise, it's going to be a great time!

So what is the "Weekly Wednesday" and why are you reading it? Every week I put together this newsletter filled with announcements, celebration, upcoming seminars and professional activities, funding opportunities, and more! The Weekly Wednesday is a great resource for keeping up to date on the happenings around the Department and on Campus. You'll receive the Weekly Wednesday straight to your inbox, and it will also be posted to our website. You can even view an archive of previous Weekly Wednesdays there!

We are ramping up for a great academic year. I look forward to writing to you each week! If you have any questions, please don't hesitate to reach out! You are always welcome to email me at [jmeyers19@unl.edu](mailto:jmeyers19@unl.edu)

**Happy Wednesday! Enjoy the rest of your summer!**

All protocols for non-clinical purposes (e.g., assessment course administrations) must be returned to the clinic, used or unused. You can return the protocols to the clinic admin team at the front desk during coverage hours, where they will be re-added to our inventory or properly shredded. You may return on your own or coordinate with your course instructor for returns to do so at the end of each semester.

**3** When picking up requested materials, you will sign an agreement (via DocuSign prior to pickup or physically in-person) detailing responsibilities and procedures for lost or damaged items.

Utilize the link below or scan the QR code to access the CSPC Microsoft Form. The QR code & link will also be posted in TEAC 114 and at the end of each Weekly Wednesday.

## Trash & Recycling

UNL uses the "All in the Hall" method for collecting garbage and recycling. All graduate students, faculty, and staff are responsible for their own accumulated waste.

Although you may use the trash receptacles in the hallway, these are not to be used for personal office trash. All personal trash and cardboard/paper recycling must be taken to the dumpsters behind Henzlik hall.

The dumpsters are located to the south of Mabel Lee Recreation Fields near the driveway between Henzlik and Nebraska Sigma Chi. Please see the image above for a visual of where to place your trash and recycling.

## Jules is excited to introduce...a little fun!

Remember the exciting days of show and tell? The thrill of standing before your peers to show off something you were excited about or proud of. A chance to showcase a small joy in your life. Don't you miss it? I know I do! Listen, we've got a LOT going on in our lives and our world right now. I know that often times I get overwhelmed with all of the -happenings- of life. I've been devoting time to celebrating the "Rainbow Sprinkles of Life" - the small joys that seem almost insignificant on their own, but when you start to recognize them & add up all the joy, you get a whole sundae!

So I had a thought: why not bring back show and tell? And with that I present to you....

# WEEKLY WINS-DAY

It's time to celebrate yourself! What's something you've done this week/recently that you're really proud of? Did you win an award? See a really cool sunset? Finish a fun art project? I WANT TO KNOW AND I WANT TO CELEBRATE YOU!

The Weekly Wins-day will be a feature in all newsletters going forward...as long as you participate! You are welcome to submit any "wins" from your week, month, or day! This can either be via photo or just a short sentence of what you're proud of yourself for doing recently.

**Let's find ways to celebrate joy, no matter how small!**

Want to read more and/or submit your wins? Visit the link below or scan the QR code to learn more & submit your wins! <https://go.unl.edu/weeklywins-day>

# The Counseling & School Psychology Clinic (CSPC) has new procedures for requesting materials!

1

Please use our Microsoft Form to request materials. This will ensure that the clinic team can coordinate & monitor their inventory. You **must** complete the form in order to checkout materials. You will not be able to stop by the clinic or search in the materials room due to limited access for test security and confidentiality purposes.

2

All protocols for clinical purposes should be stored in a client folder in the clinic file room. All protocols for non-clinical purposes (e.g., assessment course administrations) **must** be returned to the clinic, used or unused. You can return the protocols to the clinic admin team at the front desk during coverage hours, where they will be re-added to our inventory or properly shredded. You may return on your own or coordinate with your course instructor for returns to do so at the end of each semester.

3

When picking up requested materials, you will sign an agreement (via DocuSign prior to pickup or physically in-person) detailing responsibilities and procedures for lost or damaged items.

Utilize the link below or scan the QR code to access the CSPC Microsoft Form. The QR code & link will also be posted in TEAC 114 and at the end of each Weekly Wednesday.
