

Summer Professional Learning for Educators

eWorkshop Spotlight: Flexible Approaches to Collaborating with Families in Changing Educational Contexts

Collaborative

Asynchronous

Certificates Available

Guiding Questions:

1. How can I co-construct the learning environment together with families to expand the definition of our shared classroom space and welcome in family and community knowledge and ways of learning?

This module is one unit long and will take ~3 hours of work time to complete. Certificates are available for 3 hours of PD credit.
