

## Summer Professional Learning for Educators

# eWorkshop Spotlight: Foundations of Race in Education

### Guiding Questions:

1. What terminologies and concepts help us understand race and racism? How can we identify practices of racism in our classroom?
2. What is whiteness? How can we disrupt whiteness in our classrooms?
3. How can we build a foundation of a restorative and anti-racist community within our classrooms/schools?

This module is three units long and will take ~9 hours of work time to complete. Certificates are available for 9 hours of PD credit.
